

TEAM Safety Services Ltd Health and Safety Training

IOSH Working Safely

Aims

Everyone at work should have an understanding of why they must 'work safely' and this course offers exactly that. Working Safely introduces a completely new approach to health and safety training and offers all the basics in a high impact interactive package

Who should attend?

Working safely is for people at any level, in any sector, needing a grounding in the essentials of health and safety. Everyone at work should have an understanding of why they must 'work safely' – and this course offers exactly that.

Working safely isn't supposed to turn delegates into safety experts. It focuses on why health and safety is important, and how individuals can make a real difference to the wellbeing of themselves and others through changing their behaviour.

Course duration

1 Day

Course Programme

- Introducing working safely.
- Defining hazards and risk.
- Identifying common hazards.
- Improving safety performance.
- Protecting our environment.
